ROAD

Knowsley Business Park benefits from immediate access to the A580 East Lancashire Road, a main arterial route providing connections between Liverpool (10 miles South West) and Manchester (30 miles East).

Junction 4 of the M57 is within 2 miles, Junction 6 M62 within 8 miles, and Junction 23 of the M6 within 10 miles making it an excellent strategic distribution location in which to serve the North West of England and wider UK area. The M62 motorway connects Liverpool to Leeds via the M60 orbital motorway.

RAIL

The nearest station is Kirkby (3 miles) and provides connections to Liverpool Lime Street in 20 minutes. Liverpool Lime Street is the principal station, serving Liverpool City Centre - services for the Avanti West Coast Mainline provide connections to London in 2 hours.

There are also a number of local and regional train services operating in the region with Mersey Rail an urban rail network serving the Liverpool City Region and further afield Cheshire and Lancashire.

AIR

Liverpool John Lennon Airport is within 12 miles of Knowsley, it is a hub for Europe's two largest low-cost airlines, EasyJet and Ryanair.

Prior to the Covid-19 pandemic, Liverpool John Lennon Airport handled over 5 million passengers per year with flights to over 70 destinations in the UK and across Europe.

KNOWSLEY HUB50

SEA

Port of Liverpool, is the country's leading transatlantic port. It is a major gateway for commerce serving more than 100 global destinations with 45% of trade comes from the US and is the UK's biggest western facing port. The Seaforth Container Terminal, at Liverpool 2, handles circa 700,000 TEUs (20ft container equivalent units) a year.

Following a £400 million investment to create a new deep-sea container terminal known as Liverpool2 in 2016 the Port has just invested a further £140 million in new cranes to increase capacity even further.

FREEPORT

Liverpool City Region now benefits from Freeport status and is one of eight locations across the UK which will benefit from beneficial tax rules / breaks.

It is estimated that the creation of a multi-gateway, multi-modal Freeport will contribute around £850m GVA, creating 14,000 jobs. It will enable key sites across the Liverpool City Region to attract new investment giving the region a massive boost and encouraging further investment.
